**Go out and come in between the 2 yellow buoys**

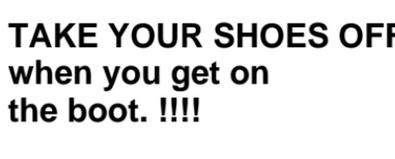

Do **NOT** sail over a buoy. There is a chain under it and it will break down the propeller

**Attention the police is very strict with the 300m rule and the fine can be high (400 Euros) if you do not respect it. The 300m is not marked at the Lake so you better keep enough distance.**

When we arrive at the boat do not go aboard all together but one by one
